

Traveling has always been our best option to escape from the hustle and bustle of the city and everyday life. By choosing a suitable destination that suits the conditions and also by knowing the tourism options of the destination, we can give new dimensions to the trip and improve our experiences. If you think that you would like to experience the wonder along with the relaxation in your trip, traveling to villages and towns with little population can give you this opportunity.

By traveling to these areas, you can enjoy the pristine and untouched nature of these villages and learn about the preserved cultures and traditions of that region. The texture of the villages, the vegetation of these areas, the lifestyle of the people, the food and crafts specific to that area, as well as the cultural encounters are among the notable attractions of this type of tourist destination. weather is one of the other benefits of traveling to these areas.

In the following, we will examine and introduce some suitable locations for this purpose.

Asos:

Issus is a small but historically rich ancient city in Ayvacik district, Canakkale Province, Turkey.

The ancient city of Asos is located on the Aegean coast of Türkiye. The big and magnificent sea and the old fishing port of the city as well as the intersection of history, culture and civilizations in the context of historical monuments are some of the special experiences you get from traveling to this area.

This place has hosted many civilizations and cultured people since the Bronze Age.

This city is a hidden gem that combines history and nature in a spectacular way. Asos overlooks the island of Lesbos and was once an important center of learning and culture. The impressive ruins, including the famous Temple of Athena, offer a stunning insight into the ancient world. In Asos you can explore the ancient streets and imagine the bustling life that once existed here. From the amphitheater to the archaeological museum, This city takes visitors on a journey through time with its ruins and rich history.

Asos has something to offer for everyone.

Alacati

Alacati is located 75 km from Izmir on the Aegean coast of Türkiye. This city is famous for its stone texture of historical houses, beautiful beaches and 360 days of annual winds. This reputation has led to the development of the tourism industry in this region. If you want to stay in this area, you can use our hotel reservation service and check the options according to your conditions. It is suggested that if you plan to travel to this place, do it in a season other than summer.

Also, if you have settled in other cities during your trip to Turkey, do not miss the opportunity to visit this place. You can visit this historic port using [car rental](#) services.

Kadikovi

Kadikovi neighborhood is one of the oldest places and one of the famous and crowded neighborhoods of Istanbul.

This place is very old and was built by the Greeks in the 16th century. It was not long after the construction of this village that the city prospered.

Many churches, Fener Baghche Park, Heydar Pasha Wharf and attractive museums of this city are among the tourist areas that are recommended to be visited.

It is possible to reach Kadiköy neighborhood by public transportation, but the easiest and best way to visit these areas is to use car rental services to visit this attractive place safely and calmly. If you use this service, you do not have a time limit to visit this area, and we suggest you to visit the streets of the area at night.

For accommodation in this area, you can use furnished accommodation rental services.

Booking a furnished accommodation in Kadiköy will reduce costs and experience a higher quality of your stay compared to booking a hotel. Another advantage of this type of accommodation compared to booking a hotel is that all family members live in one place. The possibility of cooking at home, washing clothes, and setting check-in and check-out times based on your preferences are among the things that help improve the quality of your trip and reduce costs.

Şirince

Şirince is an area near the city of İzmir, this city is located 83 km from the center of İzmir. In its own way, the reason for the construction of this area is very interesting. In the past, this place was a refuge for Greeks, but due to its special architecture, so that no house obstructs the view of another house, it was known as the safe area of the end of time. If you have traveled to Turkey, put visiting this area with unique architecture and urban development and houses in the vineyard on your list of destinations.

Kaleköy

The ancient city of Simena, now known as Kaleköy, is located on the Lycian coast of Türkiye.

Simena was once a thriving Lycian settlement and later an important Byzantine fortress. This city has a long and ancient history . Visiting Simna brings amazing experiences that can surprise all types of tourists and tastes.

If you are interested in history, you can wander in the ruins of historical buildings and review the civilizations and people who lived in this area.

Enjoy the scenery and take pictures and make memories of your trip in the amphitheater which offers one of the best views of the coast.

You can also experience the pleasure of traveling by boat and visiting the ruins in this place.

Finally, you can enjoy the wonderful food of this coastal city to complete your trip to this region.
